

## What is Tu B'Av?

A social story for Tu B'Av

Tu B'av is a day when Jewish people celebrate the special relationships in their lives. It's a day to celebrate love!

It is a day when we pay special attention to the people we love in our lives, like our families, friends, and pets.

Tu B'Av happens every year on the 15th day of the Jewish month of Av, towards the end of summer.

People can throw parties on Tu B'av, with lots of dancing and sweets. Some people even choose to get married on Tu B'Av!

I can celebrate Tu B'Av by  
making cards for the  
people that I love, reading  
stories about love, or  
maybe even making sweet  
treats to share with my  
family and friends!

Tu B'Av can also be a good day to ask the grown-ups in my life about Jewish weddings and the special things we do at them.

Tu B'Av encourages us  
to make time to  
celebrate the people  
and relationships in our  
lives that are special to  
us. We love people  
every day, and Tu B'Av is  
a great chance to show  
it!
